

Independent Auditor's Report
on review of interim condensed financial statements

To the General Meeting of Shareholders and Supervisory Board of CCC S.A.

Introduction

We have reviewed the accompanying interim condensed financial statements of CCC S.A. (the 'Company') with registered office located in Polkowice at Strefowa 6 Street as of 30 June 2018, including: interim condensed statement of financial position as at 30 June 2018, interim condensed statement of profit or loss and other comprehensive income, interim condensed statement of cash flows, interim condensed consolidated statement of changes in equity for the period from 1 January 2018 to 30 June 2018 and other explanatory notes (the 'interim condensed financial statements').

The Company's Management is responsible for the preparation and presentation of the accompanying interim condensed financial statements in accordance with the requirements of International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.

Our responsibility is to express a conclusion on the accompanying interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with National Review Standard 2410 in the wording of the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity ('standard'), adopted by the resolution no. 2041/37a/2018 of the National Council of Statutory Auditors of 5 March 2018. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Auditing Standards in the wording of the International Auditing Standards adopted by the resolution no. 2041/37a/2018 of the National Council of Statutory Auditors of 5 March 2018 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with the requirements of International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.
