ATTACHMENT No. 1
to Resolution No. 6/NWZA/2012
of the Extraordinary General Meeting
of NG2 Spółka Akcyjna with its seat in Polkowice
of 19th December 2012

Acting pursuant to Article 433 § 2 of the Code of Commercial Partnerships and Companies (“KSH”), the Management Board of the company NG2 Spółka Akcyjna with its seat in Polkowice (“Company”), in view of the proposed adoption of the resolution on the conditional increase of share capital of the Company and the issue of subscription warrants with the exclusion of the pre-emptive right of shareholders to shares issued within the scope of conditional capital and subscription warrants as well as amendment to the Articles of Association, shall present to the Extraordinary General Meeting convened for 19 December 2012 the following opinion:

OPINION OF THE MANAGEMENT BOARD
OF NG2 SPÓŁKA AKCYJNA WITH ITS SEAT IN POLKOWICE
of 22 November 2012

giving reasons for exclusion of the pre-emptive right of shareholders to shares issued within the scope of conditional capital and subscription warrants and the proposed issue price of shares issued under the conditional capital

1. Subject-matter and purpose of the opinion

The Extraordinary General Meeting has been convened on 19 December 2012 in order, among others, to pass a resolution on conditional increase of share capital of the Company and issue of subscription warrants with complete exclusion of the pre-emptive right of shareholders to shares issued within the scope of conditional capital and subscription warrants.

The draft resolution provides for a conditional increase of share capital of the Company by no more than PLN 76,800 (say: seventy-six thousand eight hundred PLN) by issuing no more than 768,000 (say: seven hundred sixty-eight thousand) ordinary series E bearer shares with the nominal value of PLN 0.10 (10/100) each (“**Incentive Shares**”) as well as the issue of no more than 768,000 (say: seven hundred sixty-eight thousand) registered series A subscription warrants in total, (“**Subscription Warrants**”), with complete exclusion of the pre-emptive right of shareholders to Incentive Shares and Subscription Warrants.

The obligation to prepare this opinion is based on Article 433 § 2 of the Code of Commercial Partnerships and Companies.

2. Justification of reasons for deprivation of the pre-emptive rights to Incentive Shares and Subscription Warrants

The issue of Incentive Shares and Subscription Warrants entitling to take up Incentive Shares is addressed to current and future members of the Management Board and the members of the

Management Boards of the subsidiaries and the management of the Company (“**Eligible Persons**”). The purpose of the abovementioned issuance is to grant the Eligible Persons management options entitling to take up Incentive Shares.

The intention of the Company is to give an additional incentive to the Eligible Persons to even more effectively manage the Company in the financial years 2013-2015 and to take actions and efforts aiming at further development of the Company and advancement of interests of Company’s shareholders by bringing about the growth in value of the Company and the rise of the stock exchange price of its shares, in particular by bringing about the achievement of a certain level of total consolidated net profit of the capital group of the Company for the period 2013-2015.

3. Justification of the proposed issue price of the Incentive Shares

Each Subscription Warrant shall entitle to take up one Incentive Share at a price equal to the arithmetic mean of average, daily weighted prices of the Company’s stock trading volume at the Warsaw Stock Exchange from the period of 3 (three) months preceding the 19th of December 2012 (“**Issue Price**”). The Subscription Warrants shall be issued gratuitously. The gratuitous nature of the issue of Subscription Warrants is justified by the motivational nature of the issue and by the fact that Subscription Warrants shall entitle to acquisition of Incentive Shares against payment of the Issue Price.

4. Conclusions

Due to the abovementioned factors, a complete withdrawal of the pre-emptive right of current shareholders to **Incentive Shares** and Subscription Warrants is economically justified and in the interests of the Company.

In view of the above, the Management Board recommends the Extraordinary General Meeting to vote for the adoption of the resolution on a conditional increase of share capital of the Company and an issue of subscription warrants with complete exclusion of the pre-emptive right of shareholders to shares issued within the scope of conditional capital and subscription warrants.
